***EXAMINER'S AMENDMENT***

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with James C. Abruzzo and Christopher Lewis on February 13, 2006.

The application has been amended as follows:

Cancel claims 24-28, 32 and 33 without prejudice to the Applicant(s).

***REASONS FOR ALLOWANCE***

The following is an examiner's statement of reasons for allowance: The claimed semi-boneless chicken product is believed to be in condition for allowance and is being passed onto issue. The prior art of record does not anticipate nor render obvious with the proper teaching(s). The prior art rejection is based on the reference to Saverslak (U.S. Patent 3,036,922). In discussions with Mr. Abruzzo, Mr. Lewis and Examiner Price on February 13, 2006, the Examiner agreed with the arguments presented by the Applicant's representatives, in that, the reference to Saverslak is concerned with producing a boneless poultry product. Contrary to the claim language presented in claim 1 directed "semi-boneless chicken product comprising..... wherein at least one of a wing bone, a thigh bone, or a leg bone is attached to the integral butchered cut." The reference to Saverslak does not teach nor is there a modifying or teaching reference to show what the reference to Saverslak does not have. And as such, the application is

believed to be in condition for allowance. Applicant's representative agreed to cancel claims 24-28, 32 and 33 without prejudice.

### **CONCLUSION**

Claims 9-13, 29-31 and 34-36 are allowable over the prior art of record, while claims 24-28, 32 and 33 are cancelled without prejudice.
